Japan Expo in Paris!

A few months ago **Japan Expo** has announced that between the dates 14-17 July they will be hosting their event in Paris, Villepinte. Japan Expo is a convention that thrives to spread japanese popular culture to western countries. Numerous creators such as artists, cosplayers, musicians, singers, animators and etc. will be joining and having their own shows, panels and more. You can find more information [here!](#)

How to attend?

You can buy a few tickets for the event in [this website!](#) If you're bringing a child below the age of 8, you don't need to pay for the child! People who are accommodating a disabled person may enter for free as well. The ticket prices are different everyday and you must purchase one entry ticket for each day. There are special packets that you can also buy. Attendees have stated that "It's very thoughtful to make these types of events accessible for everyone, the prices are cheap and reasonable too."
